

# Pro Turf Trainer

## Superior Technology

### 1. Genuine Leather Upper

- Enhanced durability
- Holds form better than synthetic leather

### 5. Removable Tongue Flap

- Easy to remove, reattach
- Customization Available
  - i.e. Team Logo/Mascot

### 2. Speed Lacing System

- Quick and easy fit
- Maximum comfort

### 4. Compression- Molded EVA Midsole

- Increased comfort, support
- Lighter, faster, more durable

### 3. Aggressive Turf Outsole

- Combines the traction of a cleat with the versatility of a trainer

### 4. TPU Shank

- Increased arch support
- Added comfort for long-term use

## Game-Changing Comfort

## **3T2** Competitive Advantage

- Midsole/Outsole/TPU Shank combination designed to provide comfort and support during prolonged use
  - Reduces joint pressure, providing added support to the knees and back
- Manufactured from a D last, providing a more comfortable fit for wider feet

## Unrivaled Performance

- Genuine leather upper is proven to hold its form through acclimate weather and moisture build-up
  - Will not crack and deteriorate like synthetic leather
- Aggressive turf outsole allows for better traction, speed, and overall performance on the field
