

SUBLIMATED APPAREL PROGRAM

MAKE AN IMPACT. USE OUR EASY STEP-BY-STEP ORDERING PROCESS TO FULLY CUSTOMIZE A UNIQUE AND DYNAMIC LOOK FOR YOUR TEAM.

WHAT IS SUBLIMATED APPAREL?

Rather than weaving, embroidering, or screen-printing a design, sublimation integrates color directly into fabric achieving colorfast, vibrant results without compromising the drape and texture.

SLEEVE STYLE

Pick a sleeve style among fastpitch racerback, sleeveless, short sleeve, or long sleeve.

DESIGNS

Choose from dozens of design patterns for shirts, semi-custom pants, full custom pants and shorts.

NECK STYLE

Select the type of neckline that meets your performance needs. Options include crew, v-neck and full button.

COLORS + DECORATIONS

The combinations are limitless. Pick your color combinations, lettering styles, number styles, and mascot/logo choices.

FABRIC

Choose our recommended fabric or customize your apparel with one of the following:

PRO-WEIGHT POLY

Our preferred pant fabric, Pro-Weight Poly offers season-long durability with heavyweight 16-ounce fabric

GAMEDAY

Our preferred fabric for our unisex jerseys, GameDay is a light and breathable 100% polyester flatback mesh fabric

POLYZONE™

Our lightweight, 100% polyester moisture management flatback mesh with Lycra® fabric, perfect for shirts and shorts alike

TRIPLE THREAT

Our preferred fabric for our fastpitch uniforms made with 100% polyester interlock woven mesh

BRUSHED FLEECE

Our preferred fabric for our women's sublimated training suit

DAZZLE

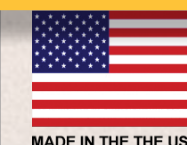

Additional option popular on the fastpitch diamonds

MESH

Classic alternative fabric option for our sublimated training gear
